### ELECTRIC RAILROAD.

Franchise For Street Railway, and Dummy Road to Canton.

Keynote Struck at Last and The Biggest Step Forward Ever Made By Our City.

At a series of meetings held during the last few days by the capitalists and business men of Hopkinsville, a plan has been devised and a movement inaugurated which insures for our merchants that relief from oppressive freight rates for which they have been so long striving. It is proposed to build an electric railroad from here to the Cumberland River. Several routes are being canvassed. The enterprising little city of Cadiz has in contemplation the building of a steam railroad from that point to Gracey or Cerulean. She has \$25,000 made up and in bank, directors and officers all chosen, and incorporated as the Cadiz Railroad Co. The projectors of the Electric Railroad here will seek to interest Cadiz in our line, in return for which we agree to run it through Cadiz to Canton. This will give Cadiz not only railway connection with two vast systems, the L. & N. and the I. C., but also gives her river competition. A deputation of our merchants is shortly to pay Cadiz a visit and lay the matter before the incorporators of the Cadiz Railroad Co., and no doubt is entertained of their ability to convince the people of Trigg's metropolis of the superiority of our plan. The center of the proposed company will embrace street railway franchise and the right to build other lines to such points as the coal mines, and to Elkhorn. One hundred thousand dollars can be raised here for investment in the enterprise within forty-eight hours from the opening of the stock books. Estimates have been asked for and due time the matter--fully ventilated and shown up--will be laid before the people of Hopkinsville and their subscriptions taken to the stock.

### ODD FELLOWS' HALL.

Green River Lodge to Build a Building at Its Own.

Handsome Lot Purchased on corner of Ninth and Virginia

The Green River Lodge of Odd Fellows, a week or ten days ago bought the house on the north east corner of Ninth and Virginia streets, now occupied by Mr. R. D. West, and will shortly erect thereon a handsome business house. The lot is about 60 by 100 feet fronting on Ninth street and is directly opposite the Post office. The price paid was \$2750 cash. The deed was filed for record one day this week. Possession will be given May 1, 1901.

The building will be put up during the summer and will be three stories high, with lobby room on the third floor. There will be two store rooms on the ground floor and offices on the second floor.

The trustees who received the deed were R. A. Peck, W. H. Lee and Geo. E. Raudle.

#### WILL NOT RETURN.

Frank Cook Out of The Army and Has a Good Job.

Frank P. Cook of this city, has been discharged from the regular army in Manila and has a lucrative position in the government employ. He will remain indefinitely in the Philippines. A recent letter from him says Jim Hillman is also a clerk in the same building in Manila.

### DR. SCHLESINGER,

The Psychic Medium Gives More Manifestations.

His Wonderful Revelations Convince Many Skeptics Who Have Tested Him.

Dr. Louis Schlesinger, the spiritualist medium, has given a number of wonderful manifestations this week at his rooms in the Phoenix Hotel.

Judge W. M. Hancock was one of the visitors who received messages from his departed friends, and the medium told him name after name written upon a paper and folded so as to conceal the name. The medium could have had no possible way of finding out the names of the parties, some living and others dead, except through some mysterious agency.

His communications with the spirit world are held through his brother, Ben, and his revelations are startling and convincing.

Judge W. P. Winfrey gave him a sitting Wednesday afternoon and had his skepticism removed. He prepared a long list of names in his own office and kept them in his pocket until they were placed in his own hat and the medium took them out one at a time and told the full name of each person, whether dead or alive, the relationship and other matters concerning them without unfolding them.

The same afternoon a manifestation was given in the Kentuckian office and the medium readily called out the full names of a number of parties he had never seen before. He picked out the names of the dead and corrected a mistake made by the gentleman who placed the names in the hat. He was told that only two were names of the dead, but he insisted that there were three, singled them out and called out the names, one of which had been put in and forgotten. He then put himself into a trance and his spirit brother made a lengthy communication from the spirit land.

In addition to these wonderful manifestations, he claims to be able through the remarkable powers he possesses to cure the whisky and tobacco habits, and also heal many diseases, not incurable, at one sitting on a positive guarantee.

Dr. Schlesinger will be here only a few days more and those who wish to see him, wonderful powers manifested, can see him at the Phoenix Hotel.

#### RESIDENCE DAMAGED.

The handsome residence of Mr. R. C. Hardwick, on South Main, caught on fire Tuesday morning and was badly damaged before the flames could be extinguished. A spark from the furnace chimney ignited the shingle roof. The family were awoken by neighbors knocking on the door and calling out that the building was burning. The fire department responded promptly and the flames were confined to the roof. The rooms in the second floor were very badly damaged by smoke and water, in fact the entire house was damaged to a great extent. Some of the furniture was saved in good condition, but much of it was injured. Mr. Hardwick had \$2,500 insurance on building and \$750 on furniture, which amounts will probably cover the loss. An adjuster is expected to arrive to-day.

The building will be put up during the summer and will be three stories high, with lobby room on the third floor. There will be two store rooms on the ground floor and offices on the second floor.

The trustees who received the deed were R. A. Peck, W. H. Lee and Geo. E. Raudle.

#### WILL NOT RETURN.

Frank Cook Out of The Army and Has a Good Job.

Frank P. Cook of this city, has been discharged from the regular army in Manila and has a lucrative position in the government employ. He will remain indefinitely in the Philippines. A recent letter from him says Jim Hillman is also a clerk in the same building in Manila.

### CHEAP RATES

Wanted by The Business Men of Hopkinsville.

A Committee Will Present a Petition to Both Roads.

A petition to the Louisville & Nashville and the Illinois Central railroads has been signed by practically all of the business men of Hopkinsville, asking that lower freight rates be given to this city. A committee of business men leave for Louisville Sunday night and the petition will be presented Monday. The committee will consist of Messrs. M. C. Forbes, E. B. Bassett, W. T. Cooper, W. T. Tandy, J. T. Wall, L. H. McKee and others.

The tobacco men recently petitioned the L. & N. to the same effect and succeeded in securing a slight reduction from some point.

The freight rates were lowered about four cents on the 100 lbs nine years ago when the I. C. road was opened and but little if any change has been made. On ordinary merchandise the rate to Louisville is now 27 to 56c.

#### HEART DISEASE

Causes Death of Former Citizen of Christian.

Mr. James A. Gee, formerly of this county, died at his home near Mayfield a few days ago. He was afflicted with heart disease and was seventy-eight years old.

Deceased was a son of late Anderson Gee and leaves a large number of relatives in South Christian. He moved from near Pee Dee to Mayfield a number of years ago, where he resided up to his death. He was a man of family and a much esteemed citizen.

### WILSON CASE.

Most Important Case on the Docket on Trial.

The Slayer of Alex Wright Last Summer Facing a Jury of His Peers.

John Wilson, formerly constable in the Fruit Hill neighborhood, was placed on trial Monday for the murder of Alex Wright at a picnic in Baker's Mill precinct August 11, 1900. The defense was anxious for another continuance, but Judge Cook overruled the motion and the trial was entered into. Only five jurors were secured from the regular panel and the others were not secured until noon Tuesday. The jury as finally accepted is composed of W. C. Wilkins, C. W. Gladdish, D. E. McCord, J. E. McCord, Major Brown, col. Alex Gilliland, R. G. Stuart, J. T. East, C. M. Markham, Pat Major, J. D. Morris, Paul Carter.

The commonwealth is represented by Attorney Howell assisted by Messrs. J. T. Hanberry, Ed. C. Waide, Jno. C. Duffy and J. H. Cavahan. The attorney for the defense are Messrs. Breathitt & Fowler, John Elend, Yonts & Hazelip, C. H. Bush and Geo. H. Myers.

There are about 100 witnesses, about 50 on each side.

Large crowds are in attendance every evening.

The leading witness for the state was Dick Wright, father of Wilson's victim. He told a straight story that cross-examination did not cause him to change. He said he and Alex were in the dancing ring. He had been dancing while his son partied outside and suddenly Wilson rushed into the ring and calling to the women to leave before they had

## PHILLIPS BROOKS.

Several Good Stories Told of the Late Famous Divine.

Eight years ago Phillips Brooks was in the prime of life. Just before the Christmas season began he was called on to perform the marriage ceremony for a leading Boston banker, who gave the bishop a \$1,000 bill.

I chanced to call at the parsonage the same evening, and Bishop Brooks asked me how he could best obtain the name of 700 or 800 needy and worthy people who could appreciate a Christmas turkey. I suggested the reporters of the great dailies would aid him.

The next day he carried out my suggestion, and from the names furnished him made nearly 900 homes happy by sending to each a turkey, two chickens, and a quart of cranberries.

The late Col. Robert G. Ingersoll, the famous skeptic, was one of the most pleasing of story-tellers, says the Philadelphia Press. In 1896 he lectured in Chicago on "Skulls." After the speaker had returned to his hotel with several friends, I called upon him and we were entertained for over an hour with his brilliant flashes of wit.

One of the anecdotes which he told was on himself, and was in substance this: Some years before, being in Boston, he had called to pay his respects to the late Bishop Phillips Brooks, of Trinity church.

The servant informed Col. Ingersoll it was "sermon day" and Dr. Brooks could not see him; that many church people had already been de- manded audience. Bishop Brooks learned that Col. Ingersoll was without, and at once gave instructions that he be admitted.

After the interview and as Col. Ingersoll was about to leave he said to the great divine:

"Dr. Brooks, I am under obligations for the time you have given me. Understand you have denied yourself to some of your own church people, and you have admitted me, an entire stranger."

"Oh! don't mention it," said the bishop. "They are my church members, and I shall see them all again, here or hereafter"—and here the minister paused—"judging from yourself, I may never meet with you—ever again."

As they passed the library he noticed an elaborate celestial globe, which had been sent the divine nothing long before with the compliments of the manufacturer. It was a magnificent work, having on its surface in delicate workmanship raised figures of the constellations and of the stars which comprise them.

The globe struck Ingersoll's fancy. He turned it round and round, examining it with interest.

"This is just what I want," he said. "Let me take it, Dr. Brooks?"

"Who minded, you young fellow?" repeated the reverend man. "Who needs it? Why, nobody, of course! It just happened."

## GOLD IN AUSTRALIA.

Account of the Curious Mannequin Which Was Found.

It Was Found.

The discovery of the Australian gold fields was in some instances not altogether without trouble, notwithstanding their propitious surroundings, perhaps in no case more so than in that of Wm. Pilliar, of which I may quote the story as commonly told. It may surprise that a daring youth of sixteen years of age, upon going to

and finding that it contained gold, reported the fact to the "warden." This gentleman was so excited at the news that he dashed the intelligence wire to the then governor of the colony, informing him that a lad had picked up a stone to throw at a crow—forgetting to add that he had even gold in it! The governor, much surprised, but moved by curiosity, wired back: "Yes; and what happened to the crow?" (or ewe). This elicited explanations which led to the precise explanation of the district as a gold field, and in consequence of the rush that followed in the same year (1888) 3,493 ounces of gold were obtained, valued at \$13,275, early attention being drawn to the district by the discovery of several large nuggets, one of which weighed 110 ounces.

Italy Outlaws Malaria.

As a result of various studies dealing with the origin and cure of malaria in Italy it is now proposed to introduce a bill in the Italian parliament providing for the suppression of the disease. The measure under consideration makes it compulsory for land owners and employees of labor to provide such means of resisting and preventing the fever as are specified by the authorities.

You are sick? So, I suppose the merit of your service is a small item in your account. The dose is small; yet it quickly produces the most gratifying results; digestion improves; the lips and cheeks lose their pallor, the eye becomes bright and the step elastic. Price, 10 cents. R. C. Hardwick.

Some people are so rough they will not stand smooth treatment.

François follows a gripe, but never follows the use of Dr. Foley's Honey and Tar, the great throat and lung remedy. Take no substitute All druggists.

Treat all men courteously whether they be princes or peasants.

Cordials help greatly to cure aches in the body, but especially a bad cold. Dr. H. L. Heron and Syrup, and using it directly, will cure the worst kind of cough or cold. Price 25 and 50 cents. R. C. Hardwick.

It is better to walk by reason than to float by prejudice.

Pimples, moths and all other spring troubles are cured by Dr. H. L. Heron's Spring-parallel—the most effective of all spring nostrums.

The long simple underskirt with narrow ruffles is the smartest thing possible for summer gowns.

The worries of a weak and sick mother are only begun with the birth of her child. By day her strength is gone, and she is weak at night her rest is broken by the wailing of the peevish, pant infant. Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It lightens all the burdens and difficulties, giving to mothers strength and vigor, which they impart to their children. In over thirty years of practice Dr. Pierce and his associate staff of nearly a score of physicians have treated and cured more than half a million suffering women. Sick women are to be found in every city, town and village in the country. Dr. Pierce by letter free of charge. All correspondence is strictly private. Address Dr. R. V. at Pot Neck.

In a fight at Pot Neck, near  
Dover, Tenn., Tuesday night, Tom  
Elliott shot and killed Frank Ralls.  
After Elliott engaged counsel at  
Dover, he left and is believed that  
he came over the Kentucky line in-  
to Trigg county.

Ralls was 45 years old and leaves  
a widow and several children.

The coroner's jury returned a  
verdict to the effect that Ralls came  
to his death from the wound inflicted  
by a pistol in the hands of Eli-  
ott and that the killing was mal-  
icious and with out provocation.

Ralls' brother was in the  
same house a year or two ago by a  
man named Rugg.

## BOB TAYLOR.

The Famous Lecturer Charms A  
Big Crowd.

Delivers His New Lecture "Senti-  
ment" At Opera House  
Wednesday Night.

Ex-Gov. Bob Taylor, the greatest  
of all lecturers, delivered his new  
lecture called "Sentiment" at the  
Opera House Wednesday night, to an  
audience of about 600 people, the  
largest audience ever gathered in  
the Opera House on such an occasion.  
Every one of the 414 seats  
was sold and many filled the gallery  
or occupied seals on the stage,  
while "standing room only" was  
sold to many late comers. The  
lecture was along the same lines as  
the others, all of which have been  
heard by Hopkinsville people. It  
was made up of sentiment, pathos,  
eloquence, song and anecdote.

The material was new but the  
style and originality were the same  
that made Bob Taylor famous.

One of Gov. Taylor's stories that  
called for the greatest applause  
was about an old German whose  
nose was accidentally cut off. The  
man placed it back on, bandaged it  
and ever afterward refused to allow  
anybody to see it. He had placed it  
on upside down and remarked that he  
got along very well except that he  
strangled when it rained and when he sneezed he  
blew off his hat.

## OLD LANDMARK.

L. L. Leavell Homestead, An Old  
Time Mansion, Being Torn  
Down.

The old Leavell homestead on the  
corner of Water and Fifteenth  
Sts., in its day one of the most pal-  
atial Southern mansions of the  
early Hopkinsville, is being torn  
down under contract, and the large  
lawn surrounding it has been cut  
up into building lots and several  
more new houses will be erected in  
addition to those already built.

The house of twenty or more  
rooms was built nearly sixty years  
ago, by Mr. L. L. Leavell, one of  
the wealthiest and most prominent  
men of the first half of the last  
century in Hopkinsville. For many  
years it was considered the finest  
house in the city. Its construction  
occupied several years and Mr. W. N.  
Ducker, who is still living, was one  
of the mechanics who helped to  
build the mansion. It was built  
with the old style columns in front,  
so much the style fifty years ago,  
and was two full stories with a  
basement under the whole house.

The house is of frame and was well  
built, according to the old time  
ideas, and most of the timbers are  
still in good condition.
